The screenshot shows the IBM Cloud Dashboard interface. At the top, there is a navigation bar with a search bar, a 'Skip to content' link, and a 'Create resource' button. Below the navigation bar, the main content area is titled 'Dashboard'. It features a 'For you' section with five cards: 'Build' (a large blue card), 'Build a web app with Watson Speech to Text' (15 min), 'Get Started with Watson Studio' (2 hr), 'Build a Virtual Private Cloud (VPC)' (7 min), and 'Build a virtual machine' (7 min). Each card has a 'Getting started' button. At the bottom, there are three sections: 'User access' with a 'Manage users' link, 'News' with a 'View all' link, and 'Planned maintenance' with a 'View' link. The interface is clean and modern, with a dark header and a light main content area.
